100% Turkish Aegean Cotton Linens

Home | Hotel | Yacht

www.nichegallerygroup.com

Our artisan-crafted textiles are loomed in Denizli, Turkey and made exclusively from 100% Turkish Aegean cotton. For centuries, Turkish linens have been revered for their superior absorbency, fast drying capabilities and signature style.

This tradition continues in our line of luxury linens inspired by the most beautiful beaches in the world - from Anegada to Zanzibar and everywhere in between - for home, hospitality, yacht and of course...the beach.

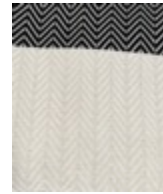

Eco-friendly, fade-resistant, long-lasting, and offered in an array of breathtaking colors, our versatile towels are to be used as a wrap or shawl, your favorite sarong, for the spa, a tablecloth or the perfect travel accessory.
